

As of December 1, 2009

The list below includes Essex Land Trust members who joined or renewed their memberships in 2009 as well as those who made other financial contributions to the Land Trust. We are very grateful to every donor—individual, family, organization, corporation and foundation—who helped us pursue our mission of acquiring open space in Essex so we might protect the environment and character of our town. We also appreciate

those members and their corporations who provided us with Matching Grants.

Thank you so much for the tremendous support you gave the Essex Land Trust this year. We look forward to your continued involvement in 2010. Please visit our website (www.essexlandtrust.org) for news about upcoming events and activities.
